

The Barn at Christ Church Grove Farm

Home of the Brave Men's Bible Study - Then & Now

Dr. Bruce Bickel teaches the Brave Men (2013) as the men face the long wall with the kitchen to the back. At times we had over 100 men for special occasions. Regular Bible Studies could draw 75-95 men.

Dr. Bruce Bickel teaches the Brave Men in our first meeting back in the newly renovated Barn (June 29, 2018) The men face the short wall which used to be the main entrance with the kitchen to the back. Now we enter on the side (right in pix).
