

## ***“The Practice of the Practical (or the next right thing)”***

Recovering the Art of Discernment

Rev. Bob Cummings

Having put in our lives the application of Philippians 4.8, in full assurance that God is directing us to something that reflects His glory, His purpose (our salvation and sanctification)

Romans 12- Renewing of the Mind

What is the point?

What is the purpose?

What is the place of beginning?

2 Co 4.16-18

Can we disregard the seen and focus on the unseen?

Examples of discernment

Jesus’ temptation; Water to wine; Jesus and the paralytic; Pearl of Great Price

The Existential Self or the Cross Centered Life

What is the next right thing?

Will I like Moses, ‘endure as seeing him who is invisible’? (Ex 20.4)

Luke 24.31-32

John 20.29
